

Message from the Council of Canadian Child and Youth Care Association

On behalf of the Council of Canadian Child and Youth Care Associations, it is my pleasure to welcome you to the 17th National and 10th Triennial International Child and Youth Care Conference, *Inspiring Resilience*.

Canmore, Alberta is the perfect setting, nestled in the 'Canadian Rockies,' to not only '*Inspire Resilience*' but to inspire us all as we continue to invest in the lives of children, youth and their families.

The success of these conferences would not be possible without the continued support of the Provincial Associations, their members, and the many partnerships locally, nationally and internationally they have developed over the years. I would like to extend a special thank you to the Conference Committee, the Alberta Child and Youth Care Association, the Alberta Government and the Association of Child and Youth Care Practice Inc. (ACYCP) for their continued support.

In the name of child and youth care,
