The purpose of the CCCYCA Award

Program is two fold:

- To provide much deserved recognition to Child and Youth Care Practitioners who have demonstrated outstanding skills, knowledge, advocacy on behalf of clients and dedication to the profession.
- To hold out such role models to inspire others towards outstanding practice and to promote greater public awareness of the important work done by Child and Youth Care Practitioners.

This award program is not intended to be a contest. The CCCYCA believes that by profiling and highlighting the wonderful work being done by any deserving Child and Youth Care Worker we bring recognition to us all and to our profession.

Nominations will come from within the Provincial Child and Youth Care Associations, or individually from Council Members (all members of a provincial child and youth care association are members) and must be forwarded to the Award Committee prior to the 2016 national conference to qualify for the 2016 award to be announced in the next National. Nominations cannot include sitting members of the Board of the Council, nor can sitting members nominate. Nomination Process: Please provide a profile of deserving nominees including such details as educational background, career highlights, outstanding accomplishments, testimonials from clients, personal qualities and detail examples of outstanding interventions, etc. Along with this profile please send the nominee's name, address and phone number along with your name and phone number, the provincial/territorial child and youth care authorizations and your signature and title. Note, the nomination committee relies upon the impression of the written nomination submitted. An electronic form has been provided for nominations: www.cyccanada.ca then go to the Award link.
